"I feel so honoured and privileged to have all these accolades come my way" says Connie, "It's been a long, hard and sometimes bumpy road but I am so very fortunate to be able to realize my dreams. I know, however that this has not been a solo journey and I definitely would not have been able to achieve what I have so far, without the support of many – including that of Australian Radio, Media, Industry and Music Fans. So, I would like to extend my deepest and sincerest thanks to all."

On Sunday Feb 12, Connie Kis will be performing at the [Mandurah Twilight Concert Series](#) as a guest of *Kasey Chambers* before heading further south to appear at the [Boyup Brook Country Music Festival](#), held Feb 17 – 20.
